## NOTICE OF NON-COMPLIANT AMENDMENT

Applicant's amendment filed September 5, 2008 has been received and entered into the present application. However, the amendments to the claims fail to comply with 37 C.F.R. 1.121[c].

37 C.F.R. 1.121[c] states: "Amendments to a claim must be made by rewriting the entire claim with all changes (e.g., additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document that includes a change to an existing claim, cancellation of an existing claim or addition of a new claim, must include a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, in the application. The claim listing, including the text of the claims, in the amendment document will serve to replace all prior versions of the claims, in the application...All of the claims presented in a claim listing shall be presented in ascending numerical order. Consecutive claims having the same status of "canceled" or "not entered" may be aggregated into one statement (e.g., Claims 1-5 (canceled)). The claim listing shall commence on a separate sheet of the amendment document and the sheet(s) that contain the text of any part of the claims shall not contain any other part of the amendment."

Applicant presents amendments to instant claims 15, 18 and 22 and adds new claim 31 at pages 2-3 of the Amendment filed September 5, 2008. However, the amendment fails to present a full listing of the claims since claim 30 has not been accounted for in the claim listing filed September 5, 2008. It is unclear whether Applicant intends to add new claim 30 (and, if so, the text of such a claim was inadvertently omitted from the claim listing) or if newly added claim 31 is, in fact, properly claim 30 when the claims are numbered consecutively in ascending order.

Accordingly, Applicant is required, in reply to this notice, to submit a clear and complete listing of all pending claims correctly numbered in consecutive and ascending order and to rectify the issue noted supra with regard to newly added claim 31 as set forth in the papers filed September 5, 2008.

Since the above-mentioned response appears to be a bona fide attempt to reply, Applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction, as well as a proper response to the previous Office Action, in order to avoid abandonment. Extensions of this time period under 37 C.F.R. 1.136(a) are available.
